NEBOSH International General Certificate in Occupational Health and Safety

nebosh

**Globally recognised health, safety
and environmental qualifications**

Achieve recognition for your health and safety skills and knowledge anywhere in the world with the NEBOSH International General Certificate in Occupational Health and Safety.

'Taking my NEBOSH International General Certificate increased my knowledge of health and safety and gave me more confidence. It put me on the pathway to achieving my NEBOSH International Diploma. This helped me secure the challenging role I now have, overseeing all aspects of health and safety at the Dubai World Trade Centre complex.'

Joel Nedamo, Health and Safety Adviser, DWTC

What kind of people take the NEBOSH International General Certificate?

People throughout the world take the NEBOSH International General Certificate because it gives them the skills and know-how to fulfil their health and safety responsibilities in any country and in any kind of organisation.

What will I gain from this qualification?

Knowledge – Whether health and safety is your main responsibility, or just a part of what you do, the NEBOSH International General Certificate will give you vital knowledge to help you perform better in your role at work.

Enjoyment – You'll enjoy taking the NEBOSH International General Certificate. You'll discover skills and techniques that are useful and practical, not just theoretical.

Achievement – The NEBOSH name is a mark of excellence in the field of health and safety. It's a qualification that people from all parts of the world are proud to have achieved.

Recognition – Our International General Certificate is accepted by IOSH – Institution of Occupational Safety and Health – to meet the academic requirements for Technical Membership of IOSH (Tech IOSH), and Associate Membership of the International Institute of Risk and Safety Management (IIRSM).

Career development – For some, the NEBOSH International General Certificate is a first step towards a life-long career in health and safety. For others, it forms part of an important set of qualifications that brings them success and advancement in whatever field they choose.

What will my employer gain from this qualification?

A safer workplace – Health and safety is important. It protects people from injury and loss of life. People with the NEBOSH International General Certificate know how to help their employer avoid prosecution, litigation, absence costs and loss of reputation, wherever they operate.

Assurance – An employer whose staff are NEBOSH qualified is an employer committed to health and safety. The NEBOSH International General Certificate provides an assurance of safety - something that can help employers achieve recognised standards and can even win new business.

Return on investment – An employee with a NEBOSH International General Certificate has a practical set of skills that brings real value to the modern global workplace.

What does the course cover?

As well as covering a range of workplace hazards and methods of control, it includes international standards for safety and health management including International Labour Organisation codes of practice. The NEBOSH International General Certificate also features a practical workplace assessment, to help you apply your learning at work and to add value for your employer.

Further details including a syllabus summary can be found on our website.

Are you already one step closer towards your next NEBOSH Certificate?

Unit IGC1 of this qualification (Management of international health and safety) is common to the International General Certificate, the International Construction Certificate and the International Fire Certificate. You do not have to sit IGC1 again if you have passed it within the last five years.

How is the course assessed?

Candidates are assessed with written examinations for each of the two taught units and a practical assessment.

A unit certificate is issued denoting successful achievement of each unit. A certificate parchment is issued on completion of the two units and the practical assessment.

The examination can be taken in some languages other than English. Please see the NEBOSH website for further details.
